

Blakehill Early Birds and Night Owls Before and After School Provision

Meet the Blakehill Early Birds and Night Owls Manager

Sarah Jacobs manages our before and after school clubs and works alongside Miss Lister and Mrs Hart. Who all have a wealth of experience working in educational and childcare settings and have a real passion for delivering high quality play/learning activities in a safe environment.

Dear Parents and Carers of children new to Blakehill,

We know this is a very exciting time for you and your child and we are sure that you are already trying to make plans in preparation for your child starting school in September. At Blakehill we offer our own excellent onsite childcare to children in Reception up to Year 6 before and after school. This childcare is led and managed by experienced Blakehill staff and is exclusive to Blakehill pupils only.

Times and Prices

Early Birds: 7:30am - 8:45am £4.50 per child per session

Night Owls: 3:15pm - 6:00pm £8.50 per child per session

These prices include breakfast in the morning and a snack in the afternoon.

A sibling discount applies to the second child if both children attend the same session (50p early bird and £1.00 night owl).

Our Ofsted registration number is 107224 you may need this if you are applying for tax credits or using childcare vouchers to pay for the sessions.

Registration and Booking

- If you are interested in your child attending either Early Birds or Night Owls, please complete the registration forms which can be collected from the main school office.
- Once your forms are completed and your child is registered you can then book and pay for your sessions on ParentPay.
- The sessions can only be booked at least 24 hours in advance on ParentPay. If you require an emergency last minute booking you must contact the main school office and we will try our best to accommodate.

We aim to provide children attending Blakehill Early Birds and Night Owls with lots of opportunities that will promote social interaction, cognition, language development and collaborative learning/play - essential child development skills. These include:

- Indoor/outdoor play
- Creative activities
- Quiet and shared reading
- Small and large construction
- Access to school digital technologies
- Turn-taking board games
- Lots of child led activities
